Air Conditioning  
Refrigeration  
& Air Filtration

Servair Limited was incorporated as an air conditioning and refrigeration company in 1986. Our services include: sales, service and installation of air conditioning and refrigeration equipment, as well as duct fabrication and cleaning (both on land and off-shore). Our current staff consists of 50 permanent employees.

We supply OEM spare parts for the brands we represent as well as universal spare parts for most brands of industrial, commercial and residential equipment. We also stock most types of refrigerant as well as tools.

We are authorized distributors for the following brands:
